Gallery Without Walls

*An Award-Winning
Public Art Program*

Welcome to the 2017 *Gallery Without Walls* outdoor sculpture exhibit of over seventy permanent and loaned works of art. It's open all year and is free for everyone to enjoy. Our downtown rotating exhibition features thirty sculptures on-loan from artists for a period of two years, all of which are available for purchase. All other artwork in the *Gallery Without Walls* belongs to the City of Lake Oswego's permanent art collection.

Art For Everyone!

Gallery Without Walls is a program of the Arts Council of Lake Oswego, a nonprofit 501(c)3 arts organization. We work in partnership with city agencies, local businesses, and community members to bring the sculptures to our streets.

Our mission is to: facilitate the placement and preservation of public art in Lake Oswego; enliven our built and natural environments, while adding value to Lake Oswego's economy; raise the appreciation for and understanding of the visual arts among people of diverse backgrounds; provide access to art exhibits for residents and visitors; advance lifelong learning about the arts through educational programs and docent tours; and to strengthen our community through collaborative partnerships.
